***THANK YOU & WELCOME TO THE MEDCOAST FAMILY!***

- Life long memories !!! Thank you!
- Maybe more lecturers from different fields or more invited speakers. Thank you for everything...
- More events (Maybe less in time [1-2 days]) which let all/most of Medcoast Institute participants to meet and discuss their achievements.
- More cases of studies is needed in the course for applying ICZM in Med Coast. Thanks for everything
- It would be great if we could have some of the material before the Institute (papers, reports..) in order to do some background reading.
- It would be great if there was a lecture about stakeholders related issues → identification, methods of including them into participatory processes, conflict resolution, etc..
- It would be great to have a lecture on methods of public education and raising awareness.
- It would be great to have a lecture on basic environmental economics + ways to evaluate the coastal resources, goods and services. Thanks you again, it was a great experience!
