If you are interested in the special flight Istanbul-Sochi-Istanbul arrangement, please communicate with the MEDCOAST Secretariat at your earliest convenience.

### **OPTION 2: XXX – Moscow – Sochi – Moscow – XXX**

You can inquire about the fares for this option through your travel agent. However please be informed that since Moscow-Sochi-Moscow flights are domestic flights, you will need to change terminals in Moscow from international to domestic (and vice versa in return) by taxi or bus.

### **OPTION 3: Direct flights to Sochi**

There are direct flights to Sochi from a very few foreign airports other than Istanbul during certain months of a year. Please check it with Aeroflot-Don or your travel agent.
